The **Ring of the Grammarian** is a ring that allows the wearer to change one letter of a spell name, giving the spell a different effect.

Description

The Ring of the Grammarian can be used, once per day, to alter one letter in a spell title, as you're casting it, for a different effect. For instance, the wearer can start casting **Cause Fear** and activate the ring to instead cast **Cause Bear** or change **Divine Word** into **Divine Wood**.
