Curse Ward

2nd-level abjuration

Casting Time: 1 action

Range: Touch

Components: V, S

Duration: 1 hour

You reach out your hand and touch a willing creature within your reach, raising a smoke-like barrier around it. For the duration, the target has resistance to necrotic damage and can’t be cursed, possessed, or targeted by a hex. Also, its maximum hit points can’t
be lowered. If the target is already affected by one of these effects, the effect is suspended until the spell ends.
