- **Nebulous Form** The elemental is made up of the pure chaotic energies of the Blackstorm far beyond the safety of the realms. The elemental can move through a space as narrow as 1 inch wide without squeezing. A creature that touches the elemental or hits it with a melee attack while within 5 feet of it takes 5 (1d10) force damage and must make a Constitution Saving Throw (DC 13) or be stunned until the end of its next turn.
- **Creation incarnate** The blackstorm elemental is made of the energy of pure creation. Due to its very nature, the elemental is susceptible to necrotic energy and is vulnerable to attacks

that cause necrotic damage.
